ORGANISATION	PROJECT	TOTAL PROJECT COSTS	TOTAL REQUESTED	TOTAL AWARDED	PROJECT SUMMARY & RATIONALE FOR APPROVAL
Mayfield & Easthouses Development Trust	Refurbishment of Pavillion	f 73,097.10			Refurbishment and upgrade of pavillion to include upgrade of electrics and lighting, creating of an accessible path, upgrade of toilet facilities. This community hub provides a range of local services and activities within the town centre. These include hot desk space to encourage local enterprise and a
St John & Kings Park Church	Replacement of Church Hall Roof	£ 257,790.00	£ 57,790.00	£ 57,790.00	Replacement of roof of the external church hall building. Without a full roof replacement the building will become unsafe and the community will loose the flexible meeting facility. The hall is currently used by a number of organisations for a variety of activities. Safeguarding the use of the facility will enable the continuation of community meeting space.
Midlothian Council	Dalkeith Bus Shelters	£ 26,000.00	£ 26,000.00	£ 25,000.00	Installation of 4 new bus shelters within Dalkeith High Street and removal and scrappng of existing bus stop poles. The need for shelters at these bus stops were indentified within the CARS THI Project, however lack of funding prevented their purchase. Planning requirements state bus stops within the CARS area must be of specific design. The stops will encourage travel to and from the town by public transport, improve the streetscape and one shelter will be at a relocated bus stop will help wheelchair access
Midlothian Council	Penicuik Town Hall	f 707,413.00			Refurbishment and enhancement of Town Hall building to ensure its sustainability and connectivity. This will help maximise its use as core community facility within the town centre. The total project works include refurbishment of the roof and stonework, installation of wifi and the provision of renewable energy technology in order to reduce running costs. This project has been offered part funding with the recommendation from the panel to focus on measures which ensures the sustainability element of the total project bid.
Loanhead After School Club	Rosewell Nursery Expansion	£ 462,727.00			Refurbishment and extension of Rosewell Pavillion. Works to include building an extension to double the size of the building, creation of a community room with shower facility and separate entrance to encourage community use and upgraded kitchen facilities. These works will enable the nursery to offer additional sought after nursery provision within the town, creating a social hub within the community. It will also enable the use of the building for sport, leisure and community use.
Dalkeith Country Park	Town Centre Path Project	£ 68,915.56	£ 49,356.23	£ 49.356.23	The Country Park is investing £250k to install a new accessible pedestrian path connecting the park to Dalkeith High Street. This application requests funds to install an accessible pedestrian path from the the High Street to the Town Gates of the Park. Currently this is cobbled with no level access. Interpretation panels will be installed along the new pathway in the heart of the park to encourage visitors to use the path to explore the town centre. This project aims to improve the connection between the park and the town in order to encourage the free flow of visitors and widen the economic benfit of this pime asset to the rest of the town centre businesses and service whiilst encourage sustainable travel.
Midlothian Council		£ 250,000.00			This project will provide a safe walking and cycling connection between Hardengreen and Newtongrange town centre. The project will provide enhanced accessibility and increased road safety along the B6482 and the A7. It will connect the planned A7 urbanisation scheme, Bonnyrigg and Eskbank railway station to Newtongrange town centre. The link has been identified with the council's Active Travel Strategy. It increases the appeal for Midlothian as an attractive cycle tourism destination and improves accessibility into and from Newtongrange town centre as a place to work. live, visit, invest.
TOTAL		£ 1,845,942.66	£ 1,130,423.33	£ 910,000.00
