Town and Country Planning (Scotland) Act 1997

Local Review Body: Review of Planning Application Reg. No. 13/00448/DPP

Pearson Planning
PO Box 28606
Edinburgh
EH4 9BQ

Midlothian Council, as Planning Authority, having considered the review of the application by Mr David McGuiness, 10 Hill Road, Pathhead, EH37 5RD, which was registered on 18 September 2013 in pursuance of their powers under the above Acts, hereby **refuse** permission to carry out the following proposed development:

Erection of dwellinghouse at Land at 2 and 4, Crichton Avenue, Pathhead, in accordance with the application and the following plans:

<u>Drawing Description.</u>	<u>Drawing No/Scale</u>	<u>Dated</u>
Site plan, location plan and elevations	0297(PL)003 B 1:1250 1:500 1:100	17.06.2013
Other Statements		17.06.2013
Notice of review and supporting statement		26.11.2013

The reason for the Council's decision is set out below:

The proposal would result in an unacceptable development with significantly low levels of amenity and appearance, at variance with the character of the existing properties in the area and character and pattern of the street and with a detrimental impact on the amenity of neighbouring residents. As a result the proposed development is contrary to policies RP20, HOUS3 and DP2 of the adopted Midlothian Local Plan.

The Local Review Body (LRB) considered the review of the planning application at its meeting of 26 November 2013. The LRB carried out a site visit on the 25 November 2013.

In reaching its decision the LRB gave consideration to the following development plan policies and material considerations:

Development Plan Policies:

1. RP20 of the Midlothian Local Plan – Development within the built-up area
2. HOUS3 of the Midlothian Local Plan – Windfall housing sites
3. DP2 of the Midlothian Local Plan – Development Guidelines

Material Considerations:

1. The individual circumstances of the site and the application.

Dated: 26/11/2013

Notification to be sent to applicant on determination by the planning authority of an application following a review conducted under section 43A(8)

2. If permission to develop land is refused or granted subject to conditions and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by carrying out of any development which has been or would be permitted, the owner of the land may serve on the planning authority a purchase notice requiring the purchase of the owner of the land's interest in the land in accordance with Part V of the town and Country Planning (Scotland) Act 1997

PLEASE NOTE

This permission does not carry with it any necessary consent or approval to the proposed development which may be required under the Building (Scotland) Acts and Regulations or under any other Statutory Enactment.

If the applicant is aggrieved by the decision of the planning authority to refuse permission for or approval required by a condition in respect of the proposed development, or to grant permission or approval subject to conditions, the applicant may require the planning authority to review the case under section 43A of the Town & Country Planning (Scotland) Act 1997 within 3 months from the date of this notice. The notice of review should be addressed to The Development Manager, Development Management Section, Midlothian Council, Fairfield House, 8 Lothian Road, Dalkeith, EH22 3ZN. A notice of review form is available from the same address and will also be made available online at www.midlothian.gov.uk

If permission to develop land is refused or granted subject to conditions and the owner of the land claims that the land has become incapable of reasonable beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, the owner of the land may serve on the planning authority a purchase notice requiring the purchase of the owner of the land's interest in the land in accordance with Part V of the Town and Country Planning (Scotland) Act 1997

Duration of Planning Permission and/or Listed Building Consent

The permission hereby approved lapses on the expiration of a period of either:

- a) three years from the date of this decision notice, if the permission is for **detailed planning permission (DPP)** or **listed building consent (LBC)** as specified in Section 58 of the Town and Country Planning (Scotland) Act 1997 (as amended by Planning etc (Scotland) Act 2006); or
- b) two years from the date of approval by the planning authority of the last application for matters specified in conditions to be approved if the permission is for **planning permission in principle (PPP)** as specified in Section 59 of the Town and Country Planning (Scotland) Act 1997 (as amended by Planning etc (Scotland) Act 2006). Applications for approval of matters specified in conditions shall be made to the planning authority within three years from the date of this permission.

Prior to any work taking place on site all pre commencement conditions attached to a grant of planning permission must be agreed in writing with the planning authority. Failure to do so could result in any development works taking place being unauthorised and undertaken at your own risk and expense.

The Felling of Trees

Where full planning permission authorises the felling of trees on a development site, no further consent is required under the Forestry Act 1967 (as amended). However, developers should note that any tree felling not expressly authorised by full planning permission, and not exempted, requires a felling licence granted under the Forestry Act 1967 (as amended).

Developers should note that any felling carried out without either a licence or other valid permission is an offence. This can mean, on conviction, a fine of up to £2,500 (level 4 on the standard scale) or twice the value of the trees, whichever is higher with the conviction being recorded.

Contact your local Forestry Commission Scotland Office if you are not certain whether exemptions apply. You can get an application form for a felling licence from the Forestry Commission website www.forestry.gov.uk or any Forestry Commission Scotland Office.

Prior to Commencement (Notice of Initiation of Development)

Prior to the development commencing the planning authority shall be notified in writing of the expected commencement of work date and once development on site has been completed the planning authority shall be notified of the completion of works date in writing. Failure to do so would be a breach of planning control under section 123(1) of the Town and Country Planning (Scotland) Act 1997 (as amended by the Planning etc (Scotland) Act 2006). A copy of the Notice of Initiation of Development is available on the Council's web site www.midlothian.gov.uk
