Emergency Notice of Motion

Midlothian Council notes that the members environmental fund is currently sitting unallocated within the capital budget.

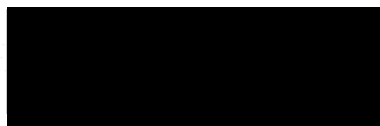

These funds should be put to use urgently to support initiatives through this emergency COVID-19 period and dealing with its consequences, and Midlothian Council are best placed to act quickly to provide that urgent support.

Midlothian Council therefore agrees to distribute these funds to Councillors on an equal basis to be reallocated by Councillors to initiatives within their wards which meet the Council's Capital Expenditure Guidance and the "Following the Public Pound" requirements.

Moved: Councillor Stephen Curran

Seconded: Councillor Colin Cassidy
