

Commercial Operations Q3 Performance Report 2016/17

Progress in delivery of strategic outcomes

1. Risk Management/Health & Safety

1. The Health & Safety Team had 16 Health and Safety Management Arrangements approved by CMT in November 2016, this completes the development of over half of all the Council's Health & Safety Management Arrangements in response to key legislative requirements. The team have programmed the remaining training associated with the roll out of the Health & Safety Management Information System.
2. The 2017 Training program to be delivered in conjunction with East Lothian Council was completed and issued to managers through the Intranet offering a comprehensive range of training for the calendar year ahead.

2. Waste Management

1. Following contract closure on 6 October 2016 construction has started on the waste residual treatment plant at Millerhill. The facility is being built by Hitachi Zosen Inova (HZI) on behalf of FCC Environment (UK), who signed a 25-year contract to operate the facility on behalf of Midlothian and City of Edinburgh Councils.
2. External funding of £19,000 was secured from Zero Waste Scotland to promote food waste recycling.
3. Contract for the interim residual waste treatment/disposal advertised. Closing date 31 January 2017.
4. Green Santa collected 1.5 tonnes of toys for reuse from Bonnyrigg Primary School, Cornbank Primary School and Lasswade Primary School. Toys and games collected were donated to local charity organisations.

3. Roads Services

1. Procured on behalf of the East Lothian, Borders and Fife (ELBF) Group, Weather Services contract for a further 3 (+2) years with the Met Office.
2. Progressing Decriminalising Parking Enforcement (DPE) project, which is on schedule to report to council before the financial year end. This follows on from a presentation to members.
3. Formal start to the ELBF shared services project, having identified work streams that could be progressed.
4. UK Finalist in the Association of Public Service Excellence (APSE) Best Performer for Roads, Highways and Winter maintenance.

4. Travel and Fleet

1. Finalist – APSE Best and most improved performer awards for Transport Operations and vehicle maintenance.
2. Expanded Ring and Go scheme in Auchendinny to alleviate some of the transport issues resulting from withdrawal of the Lothian Buses 40 service.
3. New charge point operating at Midlothian Community Hospital

5. Landscape & Countryside

1. The following projects have successfully been progressed:
Large Play area development work now complete at Mayfield Combined School.
Play area works ongoing at Lasswade Nursery and Cornbank Primary School.
Funding has been secured for play equipment for Auld Gala Park Gorebridge.
Outdoor gym proposal for the King George the Fifth (KGV) Park Bonnyrigg has been developed and agreed.
The works to stabilise the slope at Ironmills Park steps have been completed on budget by Ibex.
The Edgefield Social housing site soft landscape contract works and maintenance work is all complete.
Craigiefield and Eastfield soft Landscaping works for Harts the Builder also now complete.
Council approval given to progress 290K of remedial works at Gore Glen Bing
The non fair wear and tear bill for the sections plant and machinery has been significantly reduced this year.

Emerging Challenges

1. Risk Management/Health & Safety

Challenge: Following the departure of the Senior Health & Safety Adviser a short term acting up arrangement required to be put in place.

Action: Appoint member of staff to deliver a challenging work programme.

Challenge: Arranging the Health & Safety Management Information System training.

Action: Work with schools despite their spread and restricted availability of school staff to deliver the training programme.

Challenge: Development and roll out of a new refreshed Business Continuity approach.

Action: Engage with services to complete this work stream

Challenge: Ensure a robust Audit of Health & Safety within the Council is undertaken.

Action: Support the work of Internal Audit

2. Waste Management

Challenge: Viridor are reporting increased contamination of materials in household blue bins and commercial trade waste recycling bins. Work is continuing to understand reasons behind the increase and measures that can be taken to reduce levels of contamination. This may affect future recycling rates as more waste collected for recycling is instead sent for disposal.

Action: Discussions are ongoing with Viridor in terms of additional costs to deal with contamination.

Challenge: Following the contractor for residual waste going into administration, waste is now being landfilled as an interim measure without any secondary treatment.

Action: The short term contract, until the waste treatment facility at Millerhill becomes operational, is out for tender and returns will be evaluated against the potential to reduce waste to landfill.

3. Roads Services

Challenge: With the reduction of next year's road maintenance revenue budget there will be a reduced level of flexibility to address changing circumstances.

Action: Utilise asset management system to maximise use of capital funding allocation. Prioritise remaining revenue funding.

Challenge: Implement findings of the Flood Risk Management Plans published in June 2016.

Action: Work with other Councils, the Scottish Environmental Protection Agency (SEPA) and Scottish Water to draw on their expertise in assisting in considering what mitigation measures can be undertaken or considered.

Challenge: Police Scotland has agreed to retain the Traffic Warden Service subject to a successful adoption of DPE responsibilities.

Actions: Produce the business case for Council consideration before submission to Scottish Government.

Challenge: Ensure that infrastructure improvements associated with the Borders Railway is completed.

Actions: Facilitate negotiations with the Shawfair developers and others to see the completion of rail and transportation infrastructure.

4. Travel & Fleet

Challenge: Ensure that the operation of the fleet management and maintenance service is fit for purpose.

Action: Discussions being held with an external organisation to review the fleet procurement, operation and maintenance service.

5. Landscape & Countryside

Challenge: Meet the agreed budget targeted savings.

Action: Introduce more efficient ways of working following evaluation. Publicise and promote opportunities for coproduction with communities.

Challenge: Develop the Hard and soft Landscape squads to secure additional income and retain skilled staff.

Action: Hard landscape post has been re-evaluated. Land and Countryside has worked with the Roads section to form a joint squad to train up additional staff and provide them with an SVQ 2 in Roadworks.

Challenge: Remediate the land slip at Ironmills steps

Action: Slope stabilization now completed in Q3 on budget and on time.

Challenge: Remediation of bing sites

Action: Emily Bing continues to be monitored pending a permanent solution. Council approved proposal to remediate Gore Glen Bing.

Challenge: Improve access for all abilities to Midlothian Town Parks Play areas.

Action: Planning to install additional roundabout in King George the fifth Park Bonnyrigg.
