

Midlothian HSCP Digital Key Deliverables

Priority Area	Key Deliverable	Date	Progress
Develop Leadership & Management	We have increased digital management and leadership capacity across Midlothian HSCP, in line with Strategic Actions plans, evidenced by service-led Digital and TEC solutions across all areas of the partnership	May 2025	<p>Midlothian HSCP Digital Oversight and Programme Board established and aligned to governance structures. Active engagement in the NHS Lothian AHP Digital Network, Pan-Lothian HSCP Digital Board and MLC Microsoft 365 programme Board</p> <p>Digital Programme Manager role established (ceased Dec 2023)</p> <p>Midlothian HSCP Digital Maturity benchmarking completed (2023) and updated (2024)</p> <p>Digital Leadership opportunities enabled via national Digital Leadership Programme</p>
Ensure Appropriate Resources	We ensure there are appropriate levels of investment and resource in equipment, infrastructure and workforce to prove a baseline of digital capability across Midlothian HSCP, in line with Strategic Actions plans, evidenced by service-led Digital and TEC solutions across all areas of the partnership	May 2025	<p>Whilst the Digital Programme Board has been established, the opportunity to enable business cases related to digital has been limited. Shared learning opportunities are being maximised via the Pan Lothian HSCP Digital Board</p> <p>The asset register has been developed and sustained</p> <p>The HSCP workforce is digitally equipped and our current understanding of digital capability is based on contribution to the Digital Maturity Self-Assessment (result expected early autumn)</p>

<p>Build a Digital Culture for Service Planning & Development</p>	<p>ve increased digital capacity across all aspects of Midlothian HSCP, in line with Strategic Actions plans, evidenced by service-led Digital and olutions across all areas of the partnership</p>	<p>May 2025</p>	<p>Ongoing work across Digital Champions network in MLC, Team Federation and DPIA requests, enables risks to be managed and progress around collaboration and information sharing.</p> <p>Workforce developments aligned to this delivery plan including capacity and capability for Quality Improvement and facilitating good conversations remain a focus</p>
<p>Promote Prevention, Early Intervention & Self Management</p>	<p>ve increased digital offerings that relate to early intervention and prevention, in line with Strategic Actions plans, evidenced by service-led Digital and TEC solutions across all areas of the partnership</p>	<p>May 2025</p>	<p>Maximising digital opportunities for self-management signposting including recent launch of the Midlothian HSCP Falls resource</p> <p>Opportunities with Socttish Government Digital Teams (DHI and Digital Office) include exploratory work to support Weight Management team generated via the national Diabetes Type 2 Prevention Steering Group</p>
<p>Mitigate Digital Inequality</p>	<p>ve increased digital awareness, access and capability across all areas of the Midlothian HSCP and population, in line with Strategic Actions plans, evidenced by service-led Digital and TEC solutions across all areas of the partnership</p>	<p>May 2025</p>	<p>Demographic data suggests that 97% of Midlothian residents have access to the internet at home with the most prevalent personal use devices being PC/laptop, mobile phone/smartphone and tablet. (Scottish Household Survey 2021)</p> <p>Through work led by eHealth in NHS Lothian Out Patient Redesign, text reminders are now available to community based services to help maximise</p>

			attendance and meet our 5% DNA target
Adopt Co-design & Co-production in Service Development	ve increased involvement and participation of service users and service providers in service development utilising quality improvement methodology, in line with Strategic Actions plans, evidenced by co-designed Digital and TEC solutions across all areas of the partnership	May 2025	
Work in Partnership	ve established an active Pan-Lothian HSCP Group, to influence eHealth policy, using a network approach that promotes the business needs of the community services	January 2023	Functioning Pan-Lothian forum established enabling sharing good practice across the system. Midlothian HSCP Flow App is a recent example which the NHS Lothian Digital Innovations Team are now supporting all HSCPs to adopt or adapt to enable oversight and live understanding of patient flow and discharge planning
Existing committed and known projects	ve evidence of progress and/or completion of the committed projects in line with individual delivery plans, or a clear audit-trail of collaborative decision-making that reduces or eliminates them as a priority for the organisation	May 2025	Reporting and progress updates via the Midlothian HSCP Digital Oversight and Programme Board (See Appendix 3)
