

MAJOR DEVELOPMENTS: APPLICATIONS CURRENTLY BEING ASSESSED AND OTHER DEVELOPMENTS AT PRE-APPLICATION CONSULTATION STAGE

Report by Head of Communities and Economy

1 PURPOSE OF REPORT

- 1.1 This report updates the Committee with regard to 'major' planning applications, formal pre-application consultations by prospective applicants, and the expected programme of applications due for reporting to the Committee.

2 BACKGROUND

- 2.1 At its meeting of 8 June 2010 the Planning Committee instructed that it be provided with updated information on the procedural progress of major applications on a regular basis.
- 2.2 The current position with regard to 'major' planning applications and formal pre-application consultations by prospective applicants is outlined in Appendices A and B attached to this report.

3 PREMATURE APPLICATIONS

- 3.1 A consequence of the Proposed Plan being at an advanced stage is premature planning applications being submitted by a number of applicants on a number of sites. These are identified in Appendix A by the statement "Subject to progress on Midlothian Local Development Plan" and relate to sites which are not currently allocated for development in the adopted 2008 Midlothian Local Plan but are proposed in the MLDP. These sites are subject to representations from local communities and interested parties and will be tested at examination by a Scottish Government Reporter (anticipated to be later in 2016).
- 3.2 In the interests of fairness and transparency it is proposed not normally to report these applications to Committee until the proposed MLDP has progressed through the examination process and the Council has adopted the plan, unless the Committee wish to consider an application in advance of the adoption of the MLDP or there are extenuating circumstances. At its meeting in January 2016 the Committee expressed a preference to determine those applications

where there is a risk that applicants may appeal against non determination, an option open to applicants if an application is not determined within the set timeframe (four months from the date of validation for a major application) or an agreed extended time period.

- 3.3 If an appeal against non determination is submitted it would be determined by Scottish Ministers after consideration of relevant planning policies and other material considerations. Paramount in the consideration would be the potential for an application to undermine the development plan process if considered in advance of the adoption of the MLDP and whether Midlothian has a sufficient housing land supply as defined in Scottish Government Planning Policy.

4 RECOMMENDATION

- 4.1 The Committee is recommended to note the major planning application proposals which are likely to be considered by the Committee in 2016 and the updates for each of the applications.
