**Midlothian Council
22 September 2015**

Notice of Motion

Midlothian Council expresses concern at the high drop in the number of students attending Edinburgh College, and the effect this is having on the numbers enrolling at the Midlothian Campus.

The cuts being made by the college will have a detrimental impact on existing and potential students in our County.

Council agrees to call for an urgent meeting with Principal of Edinburgh College and representatives of the Midlothian Campus.
