

MAJOR DEVELOPMENTS: APPLICATIONS CURRENTLY BEING ASSESSED AND OTHER DEVELOPMENTS AT PRE-APPLICATION CONSULTATION STAGE

Report by Director of Education, Communities and Economy

1 PURPOSE OF REPORT

- 1.1 This report updates the Committee with regard to 'major' planning applications, formal pre-application consultations by prospective applicants, and the expected programme of applications due for reporting to the Committee.

2 BACKGROUND

- 2.1 A major application is defined by regulations and constitutes proposed developments over a specified size. For example; a development comprising 50 or more dwellings, a business/industry use with a gross floor space exceeding 10,000 square metres, a retail development with a gross floor space exceeding 5,000 square metres and sites exceeding 2 hectares. A major application (with the exception of a Section 42 application to amend a previous grant of planning permission) cannot be submitted to the planning authority for determination without undertaking a formal pre application consultation (PAC) with local communities.
- 2.2 At its meeting of 8 June 2010 the Planning Committee instructed that it be provided with updated information on the procedural progress of major applications on a regular basis.
- 2.3 The current position with regard to 'major' planning applications and formal pre-application consultations by prospective applicants is outlined in Appendices A and B attached to this report.

3 DEVELOPMENT PLAN UPDATE

- 3.1 The development plan is comprised of the Edinburgh and South East Scotland Strategic Development Plan June 2013 (SDP1) and the Midlothian Local Development Plan 2017 (MLDP). The MLDP was adopted by the Council at its meeting of 7 November 2017. The proposed Strategic Development Plan (SDP2) has been subject to examination by Scottish Government Reporters and is with the Scottish Ministers for final consideration.

4 RECOMMENDATION

- 4.1 The Committee is recommended to note the major planning application proposals which are likely to be considered by the Committee in 2018 and 2019 and the updates for each of the applications.
