		(iii) Prevention Intention Update.	

		JS circulated a paper in advance of the meeting along with	
		Appendix 1 prevention. Two of the key principles of the	
		Midlothian IJB is a shift in the health and social care system	
		from dealing with demand to prevention, and to reduce the	
		inequity in health outcomes in the population. Embedding	
		the Midway as part of developing a prevention confident	
		workforce has been taken forward with AF as part of the	
		organisational development of the HSCP. Good progress has been made at integrating prevention into work and this will	
		be further advanced with the Integrated Joint Board Strategic	
		Plan 2022-2025. JS acknowledged the work done by Tracy	
		McLeod, Rebecca Hilton and Sarah Archibald.
