Dear Kirsty McNeill

Request for the Honouring of Funding Pledges Made During the Election

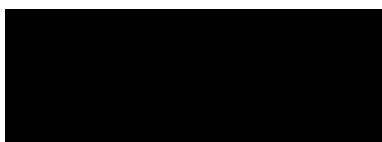

I am writing following the recent meeting of Midlothian Council, where frustrations were again expressed regarding the £20 million commitment pledged by the Prime Minister, Rishi Sunak, during the General Election for Mayfield, Midlothian.

As you will be aware, this pledge has not yet been honoured, and understandably, this remains a significant concern for the Council and our local communities.

Council has asked me to formally raise this matter with you to seek clarity on the status of this commitment and to explore any possible solutions. In order to avoid the need for repeated correspondence on this issue, I wonder if it might be helpful to arrange a meeting with Midlothian East's ward Councillors and the Mayfield and Easthouses Community Council. This would provide an opportunity for open discussion and a constructive way forward.

I would be grateful if you could advise on your availability for such a meeting at your earliest convenience. I look forward to your response and appreciate your attention to this important matter.

Yours sincerely,

Yours sincerely
