

Annual Governance Statement

Report by: Kenneth Lawrie, Chief Executive

1 Purpose of Report

This report provides an assessment of the Council's compliance with its Code of Corporate Governance and invites the Audit Committee to note the attached draft statement which is proposed to be included in the Financial Statements.

2 Background

- 2.1** Midlothian Council is responsible for ensuring that its business is conducted in accordance with the law and proper standards. This is to allow public funds and the assets at its disposal to be safeguarded and used efficiently and effectively in pursuit of best value.
- 2.2** Elected Members and senior management are responsible for the governance of the business affairs of Midlothian Council and have therefore developed a Code of Corporate Governance based on the Chartered Institute of Public Finance and Accountancy (CIPFA) and the Society of Local Authority Chief Executives' (SOLACE) framework.
- 2.3** This framework includes a requirement that an Annual Governance Statement (AGS) should be prepared; that this be included as part of the Financial Statements; and that the AGS be authorised by the Leader of the Council and Chief Executive.
- 2.4** Each year, the level of compliance with the Code of Corporate Governance is monitored by requiring Heads of Service (including the statutory post of Section 95 Officer) to complete a self-assessment against the key elements of the Code. Input from the Monitoring Officer is also sought. Internal Audit independently reviews a sample of control elements from the Code, as well as using evidence from its own reviews of Council performance undertaken during the year. The conclusions of any external inspections are also used to help inform the AGS.

2.5 A copy of the proposed AGS for 2015/16 is shown at Appendix 1.
