

# Midlothian Council

## Labour Group

**Midlothian Council**  
**Tuesday 27 February**

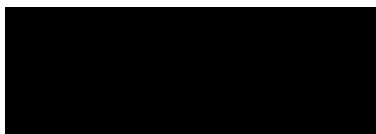

### **Notice of Motion**

"Midlothian Council recognises that climate change is causing an increasing number of extreme weather events that in many cases results in severe flooding across the world, including here in Scotland.

Therefore Council agrees that as a matter of priority

- Council officers commission an updated review of flood risk management
- Council officers present to Council no later than 27/08/24 a revised action plans to manage and mitigate flood risks
- Council officers present to Council no later than 27/08/24 an updated emergency response plan for flooding incidents

Moved

Councillor Russell Imrie

Seconded

Councillor Derek Milligan
