**Midlothian Council
Tuesday 22 March 2016**

Notice of Motion

In light of the invaluable service it offers to former mineworkers, their families and friends and any other Lothians resident in need of respite, Council agrees to reinstate the previous Service Level Agreement with the Lothian Mineworkers Convalescent Home Trust.

Council also agrees, within a 12 month period, that officers should prepare a report on 'Value for Money' on this agreement in terms of the benefits to the citizens of Midlothian using this facility.
