The following documents were attached to the report to the LRB meeting of the 4 June 2013:
- A site location plan;
 - A copy of the notice of review form;
 - A copy of the case officer's report;
 - A copy of the policies stated in the case officer's report; and
 - A copy of the decision notice issued on 6 February 2013.
- 2.2 The review has progressed through the following stages:
- 1 Submission of Notice of Review by the applicant.
 - 2 The Registration and Acknowledgement of the Notice of Review.
 - 3 Carrying out Notification and Consultation.
 - 4 The first meeting of the LRB in connection with the review to decide the determination process on 4 June 2013.
 - 5 The LRB Requesting Additional Information.
 - 6 The LRB carried out a Site Visit on 2 September 2013 (the site visit was scheduled at the time of drafting this report).
- 2.3 The case officer's report identified that one letter of representation has been received. As part of the review process the interested party was notified of the review. No additional comments have been received.

3 Procedures (Next Stage)

- 3.1 The next stage in the process is for the LRB to determine the review in accordance with the agreed procedure:

- Identify any provisions of the development plan which are relevant to the decision;
- Interpret them carefully, looking at the aims and objectives of the plan as well as detailed wording of policies;
- Consider whether or not the proposal accords with the development plan;
- Identify and consider relevant material considerations for and against the proposal;
- Assess whether these considerations warrant a departure from the development plan; and
- State the reason/s for the decision and state any conditions required if planning permission is granted.

In reaching a decision on the case the planning advisor can advise on appropriate phraseology and on appropriate planning reasons for reaching a decision.

- 3.2 Following the determination of the review the planning advisor will prepare a decision notice for issuing through the Chair of the LRB. A copy of the decision notice will be reported to the next LRB for noting.
- 3.3 A copy of the LRB decision will be placed on the planning authority's planning register and made available for inspection online.

4 Conditions

- 4.1 In accordance with the procedures agreed by the LRB at its meeting of 19 June 2012, and without prejudice to the determination of the review, the following condition has been prepared for the consideration of the LRB if it is minded to uphold the review and grant planning permission.
 1. Development shall not begin until samples of materials to be used on the external surfaces of the extension have been submitted to and approved in writing by the planning authority. Development shall thereafter be carried out using the approved materials or such alternatives as may be agreed in writing with the planning authority.

Reason: *To ensure the quality of the development is enhanced by the use of quality materials to reflect its setting in accordance with policies RP20 and DP6 of the Midlothian Local Plan and national planning guidance and advice.*

- 5.1 It is recommended that the LRB:
 - a) determine the review; and
