Petition Statement

Please state clearly in the box below the purpose of your petition and what action you wish Midlothian Council to take.

(Important – Please note that petitions will be rejected and returned to the Principal Petitioner in cases where the wording contained within the Petition Statement box below differs from that on any accompanying petition signature sheets.)

This petition is to highlight the fact that traffic on Old Edinburgh Road is dangerous to the residents in and around the area. In order to slow it down we wish traffic-calming measures to be put in place as well as signage to alert drivers to the fact that there are elderly people crossing at all times of the day, some of whom are very infirm or use mobility vehicles.

Action taken to resolve issues of concern before submitting the Petition

Before a petition is submitted, you may have already raised the issue in question with the relevant Council department or other agency and it would be helpful if you could briefly outline what measures if any you have taken. This could include, for example, details of any individuals or organisations approached. Please limit any information to no more than 4 sides of A4 paper.

I have given copies of this petition to three councillors: Colin Cassidy, Stephen Currin and Margo Russell.

Presenting your Petition

As the principal petitioner you will be invited to appear before the Council's Petitions Committee to speak in support of the petition and also to answer any questions which members of the Committee may wish to put to you and assist them in reaching their decision.

You may be accompanied by one supporter who may speak on your behalf.

When satisfied that the petition meets all the criteria outlined in the Procedures for Dealing with Petitions, the Principal Petitioner should sign and date the form in the box below.

All other signatures gathered should be appended to the form.
