Report No.	Report Title	Presented by:
5.2	Private Hire Car Licence – Request for Advertising – Report by Director, Resources	Alan Turpie, Legal Services Manager

#### Outline of report and summary of discussion

Alan Turpie spoke to the terms of the Report and advised that it related to an application lodged by Mr J. Campbell to fix advertising to the front and rear doors of 3 private hire cars licensed in his name. It was noted that, at present, advertising is not permitted on Private Hire Cars without the prior written consent of the Council with all such requests passed to Police Scotland for consultation. In response, Inspector Smith, on behalf of the Police had commented as follows:-

“I also deal with Edinburgh and West Lothian who both have pre-booked stickers. Both myself and the Taxi Examination Centre are in total agreement that these are advantageous to the safety of the public and to assisting the identification of the vehicles. West Lothian use a rectangular sign to distinguish them from Edinburgh’s oval sign and both Councils allow a similar shaped sign on the back with the booking office company name and number.

The only problem I have with Mr Campbell’s signage is that it is too similar to Edinburgh’s and would cause problems in identification and make it easier for vehicles to illegally carry out work fully outwith their own Council areas (Edinburgh and Midlothian).

I would therefore suggest that Midlothian Council consider a design and shape”.

Thereafter, discussion took place with Councillor Montgomery emphasising the importance of having a different shape of sign from neighbouring Councils and Councillor Imrie seeking confirmation that magnetic signs would not be permitted.

#### Decision

- (a) grant Mr Campbell’s request to fix advertising signs on the front and rear passenger doors subject to a condition that the signage be rectangular in shape and not magnetic and;
- (b) instruct a Report on the possible introduction of appropriate signage as a condition of Private Hire Car Licences, for consideration by the Committee in August 2016
