

Commencing Sunday 29th March 2015 Midlothian and Penicuik Services are changing

Service 15 Revised route and timetable

A revised route resulting in a quicker, more direct service from Penicuik to the south-side of Edinburgh and the City Centre. Buses will run as per the current route as far as Gowkley Moss Roundabout then direct to Penicuik, **omitting Bilston, Roslin and Auchendinny.**

From John Street, buses will run via Carlops Road to Deanburn, **no longer serving Penicuik Town Centre.**

Later evening buses will be introduced between the City and Penicuik, in both directions.

Sunday **service 15A** is withdrawn.

Service 37/N37 Revised routes and timetables

Roslin will now have a significantly enhanced bus service.

With the **37** and **N37** the village will now be served 24/7.

Route alterations mean that on Monday to Fridays alternate daytime journeys will terminate at Easter Bush and will not serve Roslin or Penicuik.

All journeys operating to and from Penicuik Deanburn will additionally run via Roslin.

On Saturdays and Sundays, **service 37** will continue to run every 20 minutes during the day, with all buses running to and from Penicuik Deanburn via Roslin.

Service X37 Revised timetable

Only minor changes to departure times.

Service 47 Revised route and timetable

On Monday to Fridays **service 47** will no longer serve Pentland Science Park and Easter Bush Campus at peak times.

The Sunday daytime frequency has been doubled with later evening buses introduced.

Service 40 Revised route and timetable

Route changes include running via Auchendinny to partially replace the 15. In Loanhead it will travel via Niven's Knowe Road, no longer serving Asda and Dryden Terrace.

Service 67 Revised route and timetable

The City Centre route is changing with buses now running via The Mound to and from Hanover Street, where the service will terminate.
