

Midlothian Council
20 December 2016

Notice of Motion

Mineworkers Pension Scheme fund surpluses

Midlothian Council views with concern the injustice whereby the Treasury receives 50% of surpluses from the Mineworkers Pension Scheme, accumulating so far to over £3billion, a sum taken from people and communities that are least able to afford it and one that is out of all proportion to the risk covered, and calls for independent scrutiny by the Public Accounts Committee to address this unfair arrangement.

Moved:

Councillor Alex Bennett

Seconded:

Councillor Derek Rosie
