1 C276.3234 Newbyres, Gorebridge	Newbyres Crescent, Gorebridge T34262	75	Handover/ Apr-25	Timeline: A continuous programme of enabling works to be carried out until main contract. Mine capping and gro more extensive than anticipated. Current difficulties involve the grouting scope. Coal Authority agreement to reduc capping to shaft 3 and overall approval to grouting scope has taken significantly longer than anticipated. Grouting currently being tendered. Expected grouting start on site now Jan 23 with a 3 month contract. Main works to follow to be put back to April/May 23 as a result.  Budget: 4 years inflation plus new ground gas/foundation solution costs and SW solution costs to be added. Agr book re-pricing with contractor - same as for Conifer Road site which will be progressed once final works design so been worked up. High inflation a concern. Design solution will include for sprinklers and ASHP to all properties wit associated costs.  Risk: Contract agreement still to complete (low risk) but inflationary costs expected to be similar to that advised a with continued hyper-inflation due to market volatility. Finalisation of ground remediation and mining risk remains ru with Coal Authority approval obtained. Total number of units remains 75.			Budget: 4 years inflation plus new ground gas/foundation solution costs and SW solution costs to be added. Agreed open book re-pricing with contractor - same as for Conifer Road site which will be progressed once final works design solution has been worked up. High inflation a concern. Design solution will include for sprinklers and ASHP to all properties with associated costs. 2 C276.53 Morris Road Newtongrange	Morris Road, Newtongrange T35727	79	Mar-23	R	А	G	G	Timeline: Site start commenced was delayed re Scottish Water Approval by approx. 1 year. Wayleave for electrical supply held up by third parties outwith Council control now finally resolved. SP connection expected start September. 6 week programme for follow on completion works. First handovers are now scheduled for mid October. The phased hand overs are in the process of being agreed with the contractor and housing colleagues. The target is for all handovers by Dec 22 (however this may now move into January 23 - yet tbc). AFDD's also required - may cause delay and will be additional cost. Budget: Overspend of approximately £1.5m due to asbestos remediation and relocation of water main to accommodate the development of this and the adjacent site, SP connection delay issue and AFDD requirement. Request received by contractor to consider additional losses he has incurred as a result of recent high inflation in material supply costs. This is being evaluated against recent government advice. Further claim for additional costs due to delayed handover expected to come from contractor.  Risk:  Resource:			Aug-22	Handover first tranche of units - early Nov through to Mar 23 (numbers tbc)	Nov-22
