PROPOSED REVISION OF THE COUNCIL'S SCHEME OF DELEGATION FOR THE DETERMINATION OF PLANNING APPLICATIONS

Report by Head of Planning and Development

1 PURPOSE OF REPORT

- 1.1 This report seeks Council approval for a revised scheme of delegation for planning matters, under which specific types of planning applications are delegated to the appointed officer to determine.

2 BACKGROUND

- 2.1 The current scheme of delegation for the determination of planning applications was agreed by the Council at its meeting of 26 May 2009 and referred to the Scottish Ministers' for approval. This approval was granted on the 16 July 2009 and is in accordance with the Town and Country Planning (Schemes of Delegation and Local Review Procedure) (Scotland) Regulations 2008.
- 2.2 The Town and Country Planning (Schemes of Delegation and Local Review Procedure) (Scotland) Regulations 2008 has been superseded by the Town and Country Planning (Schemes of Delegation and Local Review Procedure) (Scotland) Regulations 2013. The 2013 regulations came into effect on 30 June 2013.

3 PROCEDURES

- 3.1 Under the 2008 regulations any application that relates to land in the ownership of the planning authority or to land in which the planning authority have a financial interest had to be determined by the Committee rather than by the appointed officer. Any application made by the planning authority or by a member of the planning authority also had to be determined by the Committee.
- 3.2 The 2013 regulations have removed these requirements and the Scottish Government is inviting planning authorities to change their Schemes of Delegation to reflect the change in legislation.
- 3.3 Prior to the adoption of an amended scheme, the scheme must be approved by the Scottish Ministers.
- 3.4 The proposed amendment to the scheme of delegation does not affect the procedure where a Member can 'call in' an application in their Ward to be determined by the Committee within a month of an application

being validated or within 5 working days of an application being circulated prior to determination under the 'Information to Members' procedure outlined in appendix 2 of the scheme. Under the proposed revised scheme of delegation, this 'call in' procedure will also apply to applications that relate to land in the ownership of the planning authority or to land in which the planning authority has a financial interest and any application made by the planning authority or by a member of the planning authority also had to be determined by the Committee.

- 3.5 The proposed revised scheme showing proposed amendments is attached as Appendix A. If ultimately approved by the Scottish Ministers, there may need to be consequential amendments to the Council's Standing Orders and Scheme of Administration for approval by Council.

4 RECOMMENDATION

It is recommended that Committee

- i) approves the amended 'Revised Scheme of Delegation for the Determination of Planning Application for Planning Permission' as set out at Appendix A of this report; and
- ii) remit this report to Council with a recommendation that this amended 'Revised Scheme' be formally submitted to Scottish Ministers for approval.
