

Motion to Midlothian Council

People of all ages are carers in Midlothian who care for spouses and family members. Carers play a vital role in ensuring that the vulnerable and sick members of our community are treated with love, care and respect, often in difficult and challenging situations.

Furthermore Midlothian Council recognises the selfless dedication of Janet Malcolm from Penicuik who recently came second in a national contest to find the carer of the year organised by the Edinburgh Headway Group. This recognition reflects the courage of all Midlothian carers who through their dedication carry out a vital role in our society helping to care for family members and friends.
