

Notice of Review: Former Loanhead Ex Servicemens Club, 10 Academy Lane, Loanhead

Determination Report

Report by Ian Johnson, Head of Communities and Economy

1 Purpose of Report

1.1 The purpose of this report is to provide a framework for the Local Review Body (LRB) to consider a 'Notice of Review' to remove condition 2 of planning permission 17/00905/S42 at the Former Loanhead Servicemens Club, 10 Academy Lane, Loanhead.

2 Background

- 2.1 Planning application 15/00530/DPP for the change of use from ex servicemens club to nursery at the former Loanhead Ex Servicemens Club, 10 Academy Lane, Loanhead was granted permission in August 2015 subject to a condition restricting the number of children places to 50.
- 2.2 Planning application 17/00905/S42 to amend condition 3 of planning permission 15/00530/DPP (to increase the maximum number of children from 50 to 102) at the Former Loanhead Servicemens Club, 10 Academy Lane, Loanhead was granted planning permission on 11 January 2018; a copy of the decision is attached to this report. Condition 2 on planning permission 17/00905/S42 is as follows:
 - 2. Permission is hereby granted for a period of 12 months from the date of this consent. The number of children attending the nursey at the end of this period shall revert to 50, unless the use has ceased prior to that date or the applicant has secured planning permission for an extended time period.

Reason: To protect the amenity of the surrounding residential are in regard to noise and disturbance; to allow the Council to retain control over the use.

- 2.3 Condition 1 on planning permission 17/00905/S42 restricted the number of children at the nursery to 80 (rather that the 102 applied for) after discussions with the applicant.
- 2.4 The review has progressed through the following stages:
 - 1 Submission of Notice of Review by the applicant.
 - 2 The Registration and Acknowledgement of the Notice of Review.
 - 3 Carrying out Notification and Consultation.

3 Supporting Documents

- 3.1 Attached to this report are the following documents:
 - A site location plan (Appendix A);
 - A copy of the notice of review form and supporting statement (Appendix B). Any duplication of information is not attached;
 - A copy of the case officer's report (Appendix C);
 - A copy of the decision notice, issued on 11 January 2018 (Appendix D); and
 - A copy of the relevant drawings/plans (Appendix E).
- 3.2 The full planning application/review case file and the development plan policies referred to in the case officer's report can be viewed online via <u>www.midlothian.gov.uk</u>.

4 Procedures

- 4.1 In accordance with procedures agreed by the LRB, the LRB by agreement of the Chair:
 - Have scheduled an accompanied site visit for Monday 21 May 2018; and
 - Have determined to progress the review by way of a hearing.
- 4.2 The case officer's report identified that three consultation responses and one representation were received. As part of the review process the interested parties were notified of the review. No additional comments have been received. All the comments can be viewed online on the electronic planning application/review case file.
- 4.3 The next stage in the process is for the LRB to determine the review in accordance with the agreed procedure:
 - Identify any provisions of the development plan which are relevant to the decision;
 - Interpret them carefully, looking at the aims and objectives of the plan as well as detailed wording of policies;
 - Consider whether or not the proposal accords with the development plan;
 - Identify and consider relevant material considerations for and against the proposal;
 - Assess whether these considerations warrant a departure from the development plan; and
 - State the reason/s for the decision and state any conditions required if planning permission is granted.
- 4.4 In reaching a decision on the case the planning advisor can advise on appropriate phraseology and on appropriate planning reasons for reaching a decision.
- 4.5 Following the determination of the review the planning advisor will prepare a decision notice for issuing through the Chair of the LRB. A copy of the decision notice will be reported to the next LRB for noting.
- 4.6 A copy of the LRB decision will be placed on the planning authority's planning register and made available for inspection online.

5 Conditions

- 5.1 In accordance with the procedures agreed by the LRB at its meeting of 13 June 2017, and without prejudice to the determination of the review, the following condition has been prepared for the consideration of the LRB if it is minded to uphold the review and grant planning permission.
 - 1. Without the prior written agreement of the Planning Authority, the maximum number of children attending the nursery at any one time shall not exceed 80.
 - 2. The hours of operation of the nursery hereby approved shall be 07.30 to 18.30 Mondays to Fridays.

Reason: To protect the amenity of the surrounding residential area in regards to noise and disturbance.

 The building shall be used only as a children's nursery, and for no other purposes within Class 10 of the Schedule to the Town and Country Planning (Use Classes) (Scotland) Order 1997 or the equivalent class of any subsequent order amending or superseding it.

Reason: To enable the Planning Authority to retain effective control over the future use of the building and to ensure that it is able to assess any such proposals in terms of their traffic generation, parking requirements and overall impact on the amenity of the area.

6 Recommendations

- 6.1 It is recommended that the LRB:
 - a) determine the review; and
 - b) the planning advisor draft and issue the decision of the LRB through the Chair

SCALLYWAGS CHILDREN'S NURSERY 10 ACADEMY LANE, LOANHEAD, EH20 9RP

APPLICATION REF: 17/00905/S42

SECTION 42 APPLICATION TO AMEND CONDITION 3 OF PLANNING PERMISSION 15/00530/DPP (TO INCREASE THE MAXIMUM NUMBER OF CHILDREN FROM 50 TO 102) AT FORMER LOANHEAD EX SERVICEMENS CLUB, 10 ACADEMY LANE, LOANHEAD, EH20 9RP

The application was granted on 11/01/18 with 4no. Conditions with condition 2 being the subject of this Notice of Review application. Condition 2 limits the Granted application, for 80 children, to a period of 12 months after which the number reverts to 50 children.

Scallwags Children's nursery is a thriving community business which is having a positive impact on the local area. Condition 2 is restrictive to this growing business. If the condition was to remain, Scallwags would have to to disclose to parents this stipulated restriction prior to any new children starting, that potentially within 12 months time a child may no longer have a space at the nursery. It is a significant decision for any family to choose a nursery and can involve many months of investigating and nursery tours. We believe that this would be a severe deterrent to any new parent in consideration of this nursery for their child or children.

The nursery has stated that to potentially abide by the condition they would have to operate a last in, first out policy. This will impact on the many parents who have more than one child at nursery age and could potentially lead to children of the same family going to different nurseries if a place was withdrawn. The reality would be that the parents would find a new nursery for all of their children to attend. Again this seems like an unreasonable situation for Scallywags Nursery to operate within.

We would also like to note the initial application was to increase numbers up to 102 children and a compromise was agreed to reduce this number to 80 children. In addition to this the building was previously used as an ex serviceman's social club. The club was licensed to accommodate many more people, 7 days a week, outwith normal working hours and staying open later at weekends with anti-social behaviour which upset neighbours.

A condition was applied to the original Change of Use application, applied for in 2015 (15/00530/DPP), where the Nursery would need to reapply after 12 months to maintain the change of use to a Children's Nursery. The restriction was removed for all the above reasons.

Scallywags have a paid partnership with Midlothian Council and are currently providing places for 3-5 year old children and also the Good Time to be Two scheme. In respect to Midlothian Council's increase in funded childcare provision in 2020 from 660 hours to 1140 hours, Scallwags could accommodate and assist when this increase comes to fruition, if the Condition is removed.

We wish to appeal for this condition to be removed as it is not workable and would be damaging to the business that Scallywags have developed.

MIDLOTHIAN COUNCIL

DEVELOPMENT MANAGEMENT PLANNING APPLICATION DELEGATED WORKSHEET:

Planning Application Reference: 17/00905/S42

Site Address: Former Loanhead Ex Servicemens Club, 10 Academy Lane, Loanhead.

Site Description: The application site comprises a detached two storey building adjacent to the Loanhead Town Centre. The walls are finished with white painted render and the roof is finished with grey metal sheeting. There is a single storey area to the rear of the building. There are residential properties to the south, east and west of the site and a commercial yard to the north. There is a public car park to the west of the site. The unit has been in use as a nursery since 2016.

Proposed Development: Section 42 application to amend condition 3 of planning permission 15/00530/DPP (to increase the maximum number of children from 50 to 102).

Proposed Development Details: It is proposed to increase the amount of children permitted to attend the nursery at any one time from 50, as previously approved, to 102. The number was previously restricted over concerns of noise and traffic generation. The applicant has stated that the outside play area is used by a maximum of 33 children between the hours of 9.30am to 5.30pm.

Background (Previous Applications, Supporting Documents, Development Briefs):

Application site

15/00822/DPP External alterations to building and erection of fence. Consent with conditions – details of cycle shelter and colour of fence.

15/00530/DPP Change of use from ex servicemens club (sui generis) to nursery (class 10). Consent with conditions – details of boundary treatments and cycle parking; hours restriction; maximum number of 50; boundary treatments in place before use commences; nursery only and no other class 10 use.

Consultations:

The **Policy and Road Safety Manager** states that while the proposed increase in children may result in some additional vehicle activity, they have no record of any traffic issues with the current operation and have no objection. The nursery is in a town centre with a large walking catchment and good public transport links which gives a variety of a number of travel options of the service.

The **Environmental Health Manager** has concerns regarding the increase due to the proximity of nearby housing and the potential for noise complaints. The nursery has operated for 18 months with no noise complaints however the doubling of children in attendance has the potential to cause significant noise problems. They suggest that a trial period be undertaken where 75 children be permitted to assess whether an increase would cause noise issues.

The Loanhead & District Community Council has objected on the grounds that the proposed 100% increase in numbers will cause a large increase in traffic for collecting and dropping off in a small area, causing nuisance in the street. They suggest a 50% increase to allow the impact of noise and increase traffic to be assessed.

Representations: One objection has been received (30/11) with concerns over the amount of traffic generated by the increase as this would exacerbate parking issues and road safety in the area.

Relevant Planning Policies: The relevant policies of the **Midlothian Local Development Plan 2017** are;

DEV2 Protecting Amenity Within the Built-Up Area states development will not be permitted within existing and future built-up areas, and in particular in residential areas, where it is likely to detract materially from the existing character or amenity of the area; and

ENV18 Noise states that the Council will seek to prevent noisy development from damaging residential amenity or disturbing noise sensitive uses. Where new development with the potential to create significant noise are proposed, these may be refused or require to be modified to ensure that no unacceptable impact at sensitive receptors is generated.

Planning Issues: The main planning issue to be considered is whether or not the proposal complies with the development plan policies and, if not, whether there are any material planning considerations which would otherwise justify approval.

It is important to ensure that there have been no significant changes in circumstances since the earlier approval which would lead to the Planning Authority not being able to support the application on this occasion.

The main consideration is the potential for noise disturbance from the nursery due to the increase in children, particularly given the location within a predominantly residential area. It is for this reason that the previous permission was reduced from 90 children as originally proposed to 50 children. The nursery has been operating for 18 months without complaint to date, therefore it could be reasonable to allow some increase in numbers as current business appears to be operating successfully.

However it is proposed to more than double the amount of children in attendance, which has the potential to have a significant adverse effect on the amenity of the area. There is potential that some increase could be acceptable, however the impact of this cannot be fully assessed at this stage and still raises concerns with the Environmental Health Manager who has suggested that an increase to 75 children could be acceptable. Further to this response, the agent requested that the upper limit be increased to 80 children as this fits better with the business strategy for the business. The case officer discussed this increase with the Environmental Health Manager who has agreed to this on the basis of the information below.

In order to allow the nursery to demonstrate that it can operate with an increased number of children, it would be reasonable that permission be granted for a temporary period of one year at a reduced level. This would allow the Council to monitor the impact the amendment of the condition would have on the amenity of the neighbouring residents. After the year expires, the applicant could then apply for an increase in numbers, potentially on another temporary basis, or for the 80 places to be made permanent. If the use has had any detrimental impact on local amenity it could be assessed during any subsequent application.

Although the objector has raised concerns over parking and road safety, the Policy and Road Safety Manager has fully assessed the proposal and has no concerns. However the restriction on numbers for a temporary period will allow this aspect of the operation to be assessed.

Recommendation: Grant planning permission.

Planning Permission Town and Country Planning (Scotland) Act 1997

Reg. No. 17/00905/S42

Niall Young Architecture Ltd 32/12 Hardengreen Business Park Eskbank EH22 3NX

Midlothian Council, as Planning Authority, having considered the application by Mr And Mrs Farren, 10 Academy Lane, Loanhead, EH20 9RP, which was registered on 16 November 2017, in pursuance of their powers under the above Acts, hereby grant permission to carry out the following proposed development:

Section 42 application to amend condition 3 of planning permission 15/00530/DPP (to increase the maximum number of children from 50 to 102) at Former Loanhead Ex Servicemens Club, 10 Academy Lane, Loanhead, EH20 9RP

in accordance with the application and the following documents/drawings:

Document/Drawing	Drawing No/Scale	Dated
Location Plan	1570(PA2)01 1:1250 1:100	16.11.2017

This permission is granted for the following reasons:

The proposed development would not have a significant detrimental impact on the character and amenity of the surrounding area and so accords with policies DEV2 and ENV18 of the adopted Midlothian Local Development Plan 2017.

Subject to the following conditions:

- 1. Without the prior written agreement of the Planning Authority, the maximum number of children attending the nursery at any one time shall not exceed 80.
- 2. Permission is hereby granted for a period of 12 months from the date of this consent. The number of children attending the nursery at the end of this period shall revert to 50, unless the use has ceased prior to that date or the applicant has secured planning permission for an extended time period.

Reason for conditions 1 and 2: To protect the amenity of the surrounding residential area in regard to noise and disturbance; to allow the Council to retain control over the use.

3. The hours of operation of the nursery hereby approved shall be 07.30 to 18.30 Mondays to Fridays.

Reason: To protect the amenity of the surrounding residential area in regards to noise and disturbance.

 The building shall be used only as a children's nursery, and for no other purposes within Class 10 of the Schedule to the Town and Country Planning (Use Classes) (Scotland) Order 1997 or the equivalent class of any subsequent order amending or superseding it. **Reason:** To enable the Planning Authority to retain effective control over the future use of the building and to ensure that it is able to assess any such proposals in terms of their traffic generation, parking requirements and overall impact on the amenity of the area.
