Midlothian Council
Tuesday 15 December 2015
Item No 6(c)

Notice of Motion

The Council has submitted plans to Historic Scotland for the demolition of out buildings at 34C Buccleuch Street Dalkeith to allow parking for 24 cars. The two story non listed building is within a Dalkeith House and Park Conservation Area therefore consent is required from Historic Scotland.

This area of land had been identified as a possible development site for twelve one bed roomed studio houses in 2011. Council agrees to request that officers look again at providing single person accommodation on this site in the centre of Dalkeith, instead of staff parking.
